World Teachers' Day

World Teachers' Day is being celebrated in Australia this Friday. The day is a great opportunity for everyone to recognise and appreciate teachers and the important role they play in shaping the next generation.

The teachers and support staff at Parkes East go way beyond what is required of them to provide additional opportunities for our students when undertaking inter-school sport, excursions, eisteddfods and school socials, to name a few. Let's celebrate together the work of teachers.

To the teachers and support staff may your week be full of joy!

PRIMARY ETHICS COORDINATOR AND TEACHERS NEEDED IN 2020

Primary Ethics has been offered to Year 1 and 2 classes at our school for the past two years. To be able to continue to offer this program we need new volunteer teachers and a coordinator.

The role of an Ethics teacher is to deliver lesson materials provided by Primary Ethics. Suitable volunteers must be available on Thursday at approximately 2:25pm for half an hour each school week. Volunteers receive full training which consists of a two-day workshop and short online modules.

The role of Ethics Coordinator is to communicate with school staff, support ethics teachers and liaise with Primary Ethics, the not-for-profit organisation approved to design curriculum and training for the program.

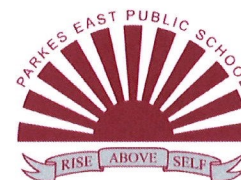

If you are looking for an opportunity to make a valuable contribution to our school, please visit primaryethics.com.au or contact Leah Mansfield, Primary Ethics Regional Coordinator on 0413 827 220 or email centralwestnsw-region@primaryethics.com.au.
