Incredible week

It was my great privilege to be the Principal of Parkes East on two particular occasions last week,

Most obviously the fete, where so many people from our school community work so tirelessly to make it such a success. A thank you, on behalf of the students, to each and every person who contributed in some way.

The second event that made me so proud was our girls hockey team who played Molong CS last Friday. The repeated effort of the girls (from both teams) to keep pushing themselves ensured the game required a third period of extra time before a result was achieved with Molong scoring. To see how our students never gave up was truly inspirational and proved that just because you don't finish first in a sporting contest doesn't mean you're not a winner. Each and every girl in this team was a winner in my eyes.

May your week be full of joy. Michael

Our Fete raised \$30,000!!!!

Well done to the amazing Parkes East Community. It is a fabulous showcase of how successful a school can be when students, parents, staff and supporters of a school work together.

There has been a reported case of head lice. Where one student has head lice, this serves as a warning that there may be an impending infestation in a specific class or across the whole school. We request you regularly check your child's hair and tie back long hair.
