PARTNERS IN LEARNING PARENT SURVEY

Our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 23 September and 25 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

To access the Parkes East PS survey please go to;

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/>

PINK UP PARKES

On Wednesday 16 October we will be taking part in the Pink Up Parkes campaign. Students are encouraged to wear the colour pink to school and donate a gold coin. The Pink Up Parkes Campaign raises awareness and funds for the McGrath Foundation who provide breast care nurses across Australia, including Parkes.
