Parkes Show

Congratulations to all our students who exhibited at the show, whether as part of school entries or as individuals. I was a proud principal when walking around and seeing the number of placegetters who came from our school. Thank you to our staff for supporting student work.

I shall be out of the school for this entire week undertaking leadership training in Sydney and then at a network meeting in Bourke. Mrs Dunford, Mrs House and Mrs Mackenzie will be relieving for me over the week.

May your week be full of joy!

Michael

SunSmart Snippet

The simplest way

... to apply sunscreen correctly.

Sunscreen protects against the damaging effects of the sun by reducing the amount of ultraviolet (UV) rays that reach the skin.

Make sunscreen a habit:

- Use SPF 30 or higher, broad spectrum water-resistant sunscreen
- Apply 20 minutes before going outside
- Re-apply every 2 hours (or after any activity that may remove it)

Sunscreen does not block UV radiation and no sunscreen provides 100% protection. Remember to use SunSmart hats, clothing, sunglasses and seek out shade.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
